

About the Program

DuPage High School District 88's L.I.F.E. Transition Program helps cognitively disabled students ages 19 to 21 learn life skills, obtain job training in a community setting and transition to life after District 88. All students with an Individualized Education Plan (IEP) are entitled to transition services.

PHILOSOPHY

District 88's philosophy is to provide an environment that encourages self-growth of students as they work toward their personal goals. Goals are developed collaboratively between the student, his or her family and transition program staff, using a student-centered approach.

GOAL

The goal of the transition program is for students to be linked to the services they need after they leave District 88, whether it's supported employment, day programs, college, volunteering or adult living.

STAFF

The transition program is comprised of a dedicated team of specialists and professionals devoted to providing an excellent educational program for students.
