

AR55045 CLAY 1 (Honors Credit Option)

This is a studio art course in which students create original artwork from a variety of clay working methods. Basic hand building (coil, pinch, and slab), basic potter’s wheel-throwing, and glazing will be explored with an emphasis on creativity, composition, and craft.

Prerequisite: Intro to 3-D or 2-D Art -Waived for seniors.

Semesters: 1

AR55085 CLAY 2 (Honors Credit Option)

This is an advanced studio art course in which students create original artwork from a variety of clay working methods. Advanced and large-scale hand building (coil, pinch, slab), advanced and large-scale potter’s wheel-throwing, and a variety of surface and glazing techniques will be explored with an emphasis on creativity, composition, and craft. Students will learn and participate in the the kiln loading and firing process. Significant ceramic art from the past and present will be studied.

Prerequisite: Clay 1 **Semester:** 1

AR55135 CLAY 3 (Honors Credit Option)

This is an advanced studio art course for students who wish to create ambitious and/or large-scale works in clay. Students will learn modern trends in ceramic art and develop a concentration of art pieces that explore their choice of handuilt pottery, wheelthrown pottery, or clay sculpture with an emphasis on creativity, composition, and craft. Students will learn and participate in the the kiln loading and firing process. Significant ceramic art from the past and present will be studied.

Prerequisite: Clay 2 **Semester:** 1

FULL YEAR CLASS - Honors Credit

AR44253 ADVANCED PLACEMENT STUDIO ART

The Advanced Placement Studio offers a choice of AP Drawing, AP 2-D Design, and AP 3-D Design. These classes are intended for independent art students who wish to develop individual skills, style, and technique along with a portfolio of work. This course is meant to provide students with an experience equivalent to a college level foundations class. Students will work on self-directed as well as teacher-directed assignments and will learn how to shoot professional quality photographs of their work. The Advanced Placement Art Exam is offered in May at an additional cost. **Semesters: 2 Honors Credits**

New: HONORS OPTION – Weighted Credit choice in Intermediate and Advanced Art Courses!
