## Credit Card Summary

Mr. Edward Hoster, Chief Financial Officer, reviewed the district's credit card use report for June 2014, as outlined in Board Policy 4:55 Use of Credit and Procurement Cards.

## Budget Status Report (Unaudited) June 2014

Mr. Hoster presented the unaudited budget summary and analysis reports for the 2013-14 fiscal year. He provided information summarizing a comparison of "budget to actual" revenue and expenditures for 2013-14, reviewing the Education fund, Operations and Maintenance fund, Transportation fund, Debt Service fund, Capital Projects fund, Working Cash fund, and the IMR fund. The district completed the fiscal year 2014 with an increase of \$2.1 million to financial reserves due to early state-aid payments/timing of receipts from the State Board and reduction of expenditures/deferral for capital outlay and technology. While the revenue was more favorable than expected, District 88 will maintain fiscal responsibility to ensure a stable budget.
