**SECTION I - INSTRUCTIONS FOR BIDDERS**

1. Notice is hereby given that sealed bids for all labor and material outlined on the attached listing for School District 45 and DuPage High School District 88, shall be received at the Office of the Assistant Superintendent for Finance on or before 2:00 PM on the date specified in Section II. **BIDS SENT BY FACSIMILE OR EMAIL WILL NOT BE ACCEPTED.** The School Districts cannot assume the responsibility for delayed postal deliveries and do not recognize postmarks as representing the fact that a bid has been “received” by the School Districts **before the specified deadline. Bids received after the time specified in the Invitation to Bid will not be considered.**
2. It is the intent that these specifications promote adequate competition. Bidders are required to quote waste services as specified.
3. By submitting a bid, each bidder agrees to hold its bid open as a firm bid for at least sixty (60) days after the date of bid opening. In the event a bidder qualifies its bid or attempts to alter the provisions of the bid package, such qualifications and alterations shall not be a part of the contract documents, and shall be cause to reject that bid as non-responsive.
4. **EXAMINATION OF SPECIFICATIONS:** Each bidder shall acquaint himself with the conditions as they exist so that he may be completely familiar with the conditions pertinent to the fulfillment of the work required under this contract. Bidders shall also thoroughly examine all contract documents. The failure of any bidder to exercise his privileges of the foregoing will in no way relieve the bidder from any obligation with respect to his bid.
5. **ADDENDA:** Where additional communication is found to be needed, a written addenda will be issued by the School Districts to all interested parties.
6. **QUALIFICATIONS OF BIDDER:**  
The School Districts may take such investigations as deemed necessary to determine the ability of the bidder to perform the work.

8. The Board of Education of School District 45 and the Board of Education of DuPage High School District 88, individually reserve the right to reject any or all bids, and to waive any informalities, or irregularities in waste services bidding, and to award the contract in the best interest of the district. Any such decision shall be considered final. It is the intent of the School Districts to award a contract to the lowest responsible, responsive bidder meeting specifications which is in the best interest of the School Districts as determined by the Boards of Education. While the financial responsibility of the bidder is a significant concern, the Boards are equally concerned with the proven ability of the bidder to satisfactorily perform its contract so that the service will be provided, or project will be completed in accordance with proposed contract documents.
