Regular Business Board Of Education Meeting

◇ **Recognition of Business Partners**

District 88 recognized Knights of Columbus Damen Hildebrand Council No. 650, Knights of Columbus Juan Pablo II Council No. 14069 and Anyway's restaurant as Business Partners for their support of Addison Trail and Willowbrook high schools.

The Knights of Columbus councils have supported District 88 students through initiatives such as generously donating to the Best Buddies club, District 88 LIFE Transition Program and the Transition Program's Perks & Possibilities Café. The Transition Program helps individuals ages 19 to 21 who have disabilities learn life skills, obtain job training and transition to life after District 88. The councils thanked the Board for recognizing their work.

Anyway's serves as a job-training site for Transition Program students and has provided gift certificates for District 88 Foundation and Partnership for Inspired Education (PIE) Foundation events as well. Anyway's also provides gift certificates for our students who receive the 88's Best award, which honors 18 students each school year for reaching their personal best in academics, highly improved performance, extracurricular activities, service work or performing arts/electives. The representative from Anyway's was unable to be with us.
