Keynote Speaker: James White

Jim White has been an English and speech teacher at Willowbrook High School for the past 23 years. He graduated from Willowbrook in 1982 and then went on to receive his bachelors in Speech Communication specializing in Public Relations and a minor in journalism from Southern Illinois. He received his teacher certification from North Central and his Masters degree from Northeastern Illinois University.

Jim currently coaches three sports and sponsors the sophomore class and the Varsity Athletic Club. Jim has also served as the director of the incoming freshman orientation program PROGRESS for over 15 years.

Jim and his wife Laurie have been married for 23 years and have two children. His son Colin graduated from Willowbrook in 2012 and is currently attending Southern Illinois University. His daughter Brianna will be an incoming freshman next year. As a Villa Park resident his entire life, Willowbrook has been like a second family. He can honestly say that because it is a supportive and caring community, many who grew up here have stayed or come back to raise their family.

Jim's favorite quotation:

"Make the most of every opportunity, you never know when it will change your life."
