The Illinois State Scholar Program is administered by the Illinois State Scholarship Commission in Springfield. Students automatically enter the process when they take the ACT in their junior year. A formula using those scores and class rank is used to select the scholars.

The President’s Award for Educational Excellence was established by the U.S. Department of Education to encourage students to strive for high academic standards by recognizing and rewarding them for outstanding educational achievement. This year’s recipients earned at least the 85th percentile in math or reading on either the ACT or SAT. In addition to a certificate from the Office of the President, these exceptional students will receive a letter from the President.

ACKNOWLEDGEMENTS

Thank you to the members of the Chamber Strings, Mr. Daniel O'Connell,
and to the junior members of the National Honor Society.
