◇ **Information/Discussion Items**Educational Focus Item for June 22, 2015

The Educational Focus Item for the June 22, 2015, Board meeting will be the District Improvement Plan for the 2015-16 school year.

Workers Compensation Insurance Renewal

Mr. Edward Hoster, Chief Financial Officer, reported the district is a member of the School Employees Loss Fund (SELF), which is a cooperative of 80 school districts in Illinois that self-insure for workers compensation insurance. Our annual premium reflects a favorable renewal rate, partially due to declining claims.

Property/Casualty/Liability Insurance Renewal

Mr. Hoster reported the district is a member of the Collective Liability Insurance Cooperative (CLIC), a self-funded insurance cooperative representing more than 173 school districts throughout Illinois. This year's annual premium reflects a 14.6-percent increase. Two factors driving the increase in premium are: 1) CLIC pool claim activity, and 2) our high loss ratio of claim payout to premium paid including incidents beyond our direct control, i.e. flood damages from 2013.

Financial/HR Management System Upgrade

Mr. Hoster shared information with regard to the current management system being used by District 88. To implement the system to its fullest capacity, an upgrade is necessary that will enhance efficiencies for both HR/Personnel and payroll.
