The District 88 Board of Education has set up a number of policies affecting classified employees and their working conditions. Student Supervisors are covered by this handbook. The information on the following pages will answer most questions about employer-employee relations, compensation, benefits, etc. Feel free to seek answers to other questions from your supervisor or the Office of Human Resources, 630-530-3985.

The Student Supervisor Committee is comprised of representatives from the student supervisor groups at Addison Trail, Willowbrook and District Office. The term of service shall be two (2) years, with staggered terms established (if possible) to ensure continuity in representation. The purpose of this committee is to bring concerns of the staff to the administration and to negotiate a benefit package. *(Amended 2021-2023)*

Annually, during the month of September, staff members will be asked by the existing committee to volunteer or nominate someone for service on the committee. If more than one volunteer/nominee exists, an election will be held to fill that vacancy. Each member shall be elected by members of their respective building group. In the event that only one volunteer or nominee exists for a vacancy, the staff will be informed of that volunteer/nominee. If no one else comes forward, the volunteer/nominee will become the representative.

General meetings with administrative representatives shall be held as needed, with no more than four during the school year. Additional meetings may be scheduled during a negotiation year. Minutes of the Classified Committee meetings will be provided to the staff in a timely manner. Questions and/or suggestions may be presented to your representative who will have them placed on the agenda for one of these meetings. *(Amended 2011-2012)*

HIRING POLICIES

GENERAL STATEMENT OF POLICY

The school system exists for the education of the youth and the benefit of the children and parents who support the schools. Employment practices in the hiring of teachers, administrators, and all classified supportive staff must, therefore, meet the needs of the school first, after which the preferences and needs of employees will be carefully considered.

EQUAL OPPORTUNITY EMPLOYMENT

District 88 is an equal opportunity employer. Candidates will be given consideration without regard to gender, race, color, creed, ancestry, ethnic group, citizenship, religion, age, national origin, physical or mental disability, medical condition, marital or parental status, or sexual orientation (*Amended 2000-01*). It is the policy of the Board of Education to comply fully with the requirements of Title VI, Title IX, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act and all accompanying regulations. Furthermore, it is the goal of this policy to achieve a balance among district employees that represents the composition of the total population of the district (*Amended 2009-10*).

RECRUITMENT

The Office of Human Resources shall take appropriate action to advertise for needed personnel and to initiate contacts with employment agencies, schools or other sources of applicants. He/she shall assist the appropriate administrative officer in the school or district office in arranging interviews of applicants and in preparing proper recommendations to the superintendent for approval of appointments. Student Supervisors will be informed of anticipated vacancies via email so they may express interest through the internal application system (*Amended 2009-10*).

NOTIFICATION OF STATUS

A newly employed Student Supervisor shall receive a copy of the Requisition for Classified Employee form and an employment conditions letter (hours, break and lunch times, etc) issued by

location supervisor (*Amended 2000-01*). The administration retains the right to place new hires on Step 1, 3, or 5 of the salary schedule based on qualifications, experience, or district needs. This would be applicable to all levels, but would apply only if there are no internal candidates who meet the experience and qualifications posted for the position (*Amended 2006 –07*). The Student Supervisor/Bus Driver position will have a pay rate indexed to the bus driver rates set by the bus company.

An employee who changes classification shall receive a copy of the Change of Status form and an employment letter.

PROBATION

All new employees to the District shall be on a probationary status for the first twelve (12) months of employment. This is essentially a "trial period" for both the employer and employee. During the probationary period either the employee or the employer may terminate the employment if such employment is unsatisfactory. The administration will conduct quarterly evaluations during the probationary period (*Amended 2006–07*).

ORGANIZATIONAL MOVEMENT POLICIES

FULL-TIME STATUS

Any employee who regularly works six (6) hours or more per day, five days (5) per week shall be considered a "Full-time" employee and shall receive all benefits as outlined in the handbook. Those working fewer hours shall have the benefits, to which they are entitled, prorated on the basis of hours worked per day divided by six (6).

SEPARATION

If, in the judgment of the administrative officer, the supervisor or the department head that supervises the employee, the employee should be dismissed, a written statement of cause shall be presented to the principal or to the superintendent (with a copy to the employee) who shall review the case.

The employee may request a hearing with the principal or the superintendent. If dismissal is indicated, such recommendation shall be presented to the principal or to the superintendent for action. An employee may be dismissed under the above procedure either after two (2) weeks' notice or immediately if circumstances warrant. The employee should be paid for the current year vacation allowance earned to the date of dismissal.

REDUCTION IN FORCE

Reduction in force for employees covered by this handbook will be addressed as defined by Chapter 122, Section 10-23.5 of the Illinois School Code entitled "Educational Support Personnel Employees."

RESIGNATION

At least two (2) weeks' notice (a month is preferable) of intention to leave employment here is required, and since this brief notice is usually too short for locating and training a new employee who may also have to give his/her former employer two (2) weeks' notice, the school requests that all reasonable cooperation be provided by the employee so that as much time as possible will be available for the necessary posting of the position, payroll notifications and compilation of benefits. Notice of termination should be submitted in writing to the appropriate building administrator (for employees in the school offices) or to the superintendent (for employees in the district office). Staff are encouraged to review the benefits that they are entitled to under the current Student Supervisor Handbook and are also encouraged to contact an IMRF representative to discuss their options (*Amended 2006-07*).

Grievance forms are available in the office of the appropriate building administrator in the schools or the personnel office in the district office. (See Appendix D)

For the 2023-24 School Year, there shall be an hourly rate increase of \$0.75 and a base salary increase of 90% of CPI-U (PTELL) as reported for calendar year ending December 31, 2021 (5.0%), equivalent to 4.50%, to the base of the 2022-23 salary schedule.

Step advancement will be adjusted on a July 1 anniversary date instead of each employee's own individual start date. Employees shall be given credit towards salary step advancement as follows: If hired prior to November 1 of any year, shall be given full year credit of service and advance next July 1. Those hired after November 1 will not advance until completing a full twelve months of employment before advancement.

COMPENSATION GUIDES

All Employees

All full-time and permanent part-time employees shall be paid twice a month on the 15th and the last day of the month. If a payday is a holiday, or falls on a weekend, then said payday will be the last working day preceding such holiday or weekend. Final contract payout will be nine (9) days after the last day of school.

Student Supervisors

Student supervisors shall be paid on an annualized basis that encompasses twenty (20) or twenty-four (24) equal paychecks. Work hours will be determined by administration. Compensation is based on a total of 177 student attendance days. Included in this work year are two paid floating holidays. If the student attendance days increase or decrease, the annual compensation will be adjusted accordingly. Any additional days above the student attendance days will be compensated (*Amended 2010-11*).

LONGEVITY STIPEND

Employees will have a longevity stipend of the following amount added to their regular salary at the beginning of the year of service in the first column:

<u>Year of Service</u>	<u>10 Month</u>
11, 13, 15	\$450.00
17, 19, 21	\$500.00
23, 25, 27 (and continuing every other year of service	\$550.00

Employees will not be eligible to receive the longevity stipend until the year after they have reached Step 9 of the salary schedule.

Full year of service is calculated as of June 30. This benefit shall be pro-rated for permanent, part-time employees. Any employee hired prior to November 1 of any year shall be given credit for a full year towards the longevity stipend. Those hired after November 1 will not receive longevity until the next school year. This longevity becomes part of the regular salary, and is dispersed throughout the school year.

Employees hired after January 1, 2014 will be eligible for an annual longevity stipend as determined by their length of service on July 1st of each year as follows:

<u>Year of Service</u>	<u>10 Month</u>

23+	\$550.00

This non-cumulative, lump sum longevity stipend will be paid in October of each year.

INCENTIVE PROGRAM

The Administration may institute an incentive program for employees covered under this handbook. Monies to fund such a program will not be a part of the overall compensation package. Input from staff in the form of written recommendations regarding individuals to be considered are encouraged.

WORK SCHEDULE

TIME SCHEDULES

Student supervisors' schedules are to be determined annually to coincide with pupil attendance days. The Principal shall have the right to designate selected staff members to work a "flex day" if staff is needed for evening duties. These evening duties would include, but not be limited to such things as parent conferences, curriculum nights, guidance registration nights, etc. (An example of a flex day: A staff member whose regular hours are 7:30 a.m. to 4:00 p.m. would be asked to flex their hours to work 11:00 a.m. to 7:30 p.m. or 11:30 a.m. to 8:00 p.m.) It is not mandatory that the staff member accept the flex day assignment (*Amended 2021-2022*).

LUNCH PERIOD AND REST BREAKS

All employees working more than six (6) hours per day shall be given a forty-five (45) minute lunch period. Each school building provides cafeteria service when school is in session. A ten (10) minute rest break is allowed in the morning and another ten (10) minute rest break in the afternoon. These two breaks can be combined into one (1) twenty (20) minute break in the morning only (*Amended 1992- 93*).

EMERGENCY SCHOOL CLOSING DAYS

Should weather conditions be severe, a decision will be made by 6:00 a.m. as to whether the schools will operate without bus service, open on a delayed start schedule or be closed altogether. The decision will be disclosed in the school bulletins broadcast by local radio stations and also through a special telephone tree. If no call is received, assume that it is a workday (*Amended 2000-01*).

If the school district is officially closed by the Superintendent or designee for one (1) emergency closing, 10 month clerical employees will not:

- a) be required to report to work,
- b) receive a loss of pay or
- c) be required to make up the day

For the second school closing, or any closing thereafter, the 10 month clerical employees will be obligated to make up the day(s) at the end of the year (*Amended 2010-11*).

HOLIDAYS

Good Friday Holiday

Good Friday will be a non-attendance day for classified employees, provided that school is not in session.

EVALUATION

All Student Supervisors will be evaluated by the administration on an annual basis. This job performance evaluation system is subject to an annual review by the classified committee.

WINTER AND SPRING BREAKS

Offices will be closed for winter and spring breaks.

INTERMISSION EMPLOYMENT

The district recognizes that on occasion classified staff members may be required to work during school intermissions. If the employee's assignment is related to his/her present position the employee will be compensated at the same rate as his/her regular payroll. The district may select to pay for this assignment as miscellaneous payroll or compensatory time.

If the assignment is voluntary and doing something other than an employee's normal responsibilities, the employee will be informed prior to the assignment that he/she will be paid at the temporary employee rate.

LEAVE WITHOUT PAY

Occasionally, leave without pay may be granted to employees. Employees shall use all accrued compensatory time before requesting leave without pay. Approval for leave without pay shall be at the discretion of the employee's supervisor(s) and the appropriate building administrator (*Amended 1992-93*).

OVERTIME

Recognizing that on occasion ~~classified~~ staff members will be required to work at times other than their "normal" schedule, the district has established a system of compensatory time in accordance with PL99-150. With the approval of the administration, the employee may work overtime with compensatory time off to be taken at a later date. Credit for this time shall be given by the employee's supervisor filing the compensatory reporting form with the appropriate building administrator within five (5) working days of the overtime. Signed copies shall be returned to the employee and supervisor. Compensatory time will be awarded only for hours assigned by the employee's supervisor(s).

Hours worked in a similar role to the normal duties of the employee that exceed thirty-eight and one-half (38.5) hour, but less than forty (40) hours in a work week, shall be compensated at the employee's straight-time rate of pay.

Hours worked in a similar role to the normal duties of the employee that exceed a forty (40) hour work week shall be compensated at a rate of one and one-half (1-1/2) times the overtime hours worked. Paid holidays, sick leave, vacation leave and personal business/emergency leave shall not count in calculating the work hours for purposes of paying overtime. Compensatory time earned in any given school year shall be used at the conclusion of the following school year. In the event that compensatory time has not been used as set forth above, the employee will be paid for the time at his/her prior year base rate of pay.

Compensatory hours earned prior to June 30, 2010, will be used or paid out by no later than the first payroll in June 2024

To request compensatory time, the employee shall submit the regular leave pre-approval form to his/her supervisor and then to the appropriate building administrator. The district prefers to grant compensatory time for overtime. However, the administration may, at its discretion, allow payment for overtime worked.

If an hourly rate is to be computed for an employee with an annualized salary, the following shall be used to divide the annual salary:

- a) Student supervisors (177 x hours per day)
(*Amended 2010-11*)

ABSENCES

It is the responsibility of the employee, when an absence is necessary, to notify the assistant principal or appropriate administrator **and submit such notice online via an electronic absence management system preferably before 6:45 am**, giving the reason for such absence when she/he (the employee) is ready to return to work. Employees may opt to use district paid benefits, including vacation days and comp time to assist with payment during an absence (*Amended 2023- 2027*).

EMERGENCY / PERSONAL BUSINESS

In addition to other provisions for absences, and upon notification to the proper Administrator, an employee shall be allowed full pay for not more than four (4) days in any one school year for personal business (*Amended 2011-2012*).

Emergency/personal business leave for newly hired employees shall be prorated based upon the date of hire. Written application for such leave shall be made to the Administration on a copy of the signed authorization form attached as Appendix A at least forty-eight (48) hours prior to such leave, provided that, in cases where such notice is not practicable, application shall be made immediately upon the employee's return to work (*Amended 1996-97*).

When an employee has used up the four (4) annual emergency/personal business days, in instances of serious illness or death of a relative or death of a close friend, additional days of absence will be charged against the employee's sick leave.

Personal business absence will generally not be granted on the day before or following school vacation or holidays periods, Institute Days or during the first ten (10) or the last ten (10) days of the school term. For classified employees the school term begins the first day of student registration. An exception to this rule may be granted by a decision of the Superintendent (or designee). Exceptions will be granted on rare occasions at the discretion of the Superintendent based upon the following guidelines:

If needed, only two (2) of the Emergency/Personal leave days may be used during the first two (2) or last two (2) weeks of the school year.

- A. The request must be submitted in writing to the Building Principal at least ten (10) calendar days before the date the employee wants to use a personal business leave day. The written request must set forth detailed reason(s) for the exception.
- B. The Building Principal will bring the request to the Superintendent (or designee) who shall review the request and determine whether an exception should be approved.
- C. In the event that an emergency occurs within the ten (10) day time frame, an employee needs to request a "personal business leave day exception," the employee will provide a detailed written request to the Building Principal. The Building Principal will work with the Superintendent or designee to render a more immediate decision.
- D. In making the decision whether to grant a "personal business leave day exception," the Superintendent or designee will consider the following:

No request will be approved for vacation, travel or recreational purposes or similar reasons. Determinations by the Superintendent or designee to grant or deny an exception shall not establish a practice or precedent and shall not be subject to the grievance procedure set forth in the Collective Bargaining Agreement.

The request must be for a significant once-in-a-lifetime event for which the Employee has no control over the scheduling including, but not limited to, the following examples:

1. The request must be for a significant one-in-a-lifetime event for which the Employee has no control over the scheduling including, but not limited to, the following examples:

2. Attendance at a school graduation ceremony/recognition of achievement ceremony of an Employee's child, stepchild or member of the Employee's immediate family; or
3. Attendance at a college graduation/recognition of achievement ceremony of an Employee, Employee's spouse, child, stepchild or member of the Employee's immediate family; or
4. Attendance at a military graduation ceremony or an overseas military deployment ceremony of an Employee's spouse, child, stepchild or member of the Employee's immediate family; or
5. Appearance in a court of law as a litigant when sincere but unsuccessful efforts have been made to reschedule an appearance; or
6. Attendance at a funeral (for situations not covered under the leave policy).

Emergency/personal days shall be immediately available for use as sick leave and three (3) unused emergency/personal days shall, at the end of the school year, accumulate as unused, available sick leave (*Amended 2011-2012*).

FAMILY AND MEDICAL LEAVE

District 88 provides Family and Medical Leave in accordance with the *Family and Medical Leave Act of 1993 as amended* ("FMLA"). Employees who have been employed in a full time capacity for at least one (1) year *and* for at least 1,000 hours during the preceding 12-month period are eligible for family and medical leave. Such leave shall be unpaid unless accumulated sick or vacation days are available to the employee.

Spouses employed by the district are jointly entitled to a *combined* total of sixty (60) work days of family leave for the reasons listed below.

Reasons for Leave

All employees who meet the applicable time of service requirements may be granted family or medical leave for a period of sixty (60) work days for the following reasons:

- a. The birth of a child, or placement of a child with you for adoption or foster care
- b. Your own serious health condition
- c. Because you are needed to care for your spouse, child or parent due to his/her serious health condition
- d. Because of a qualifying exigency arising out of the fact that your spouse, son/daughter or parent is on active duty or call to active duty status in support of a contingency operation as a member of the National Guard or Reserves
- e. Because you are the spouse, son/daughter, parent or next of kin of a covered service member with a serious injury or illness

The entitlement to leave for the birth or placement of a child for adoption or foster care will expire twelve (12) months from the date of the birth or placement. For leave reasons of birth or placement of the employee's child, intermittent and reduced schedule are not permitted.

Procedure for Requesting Leave

In all cases, an employee requesting leave must complete the “Request for Leave of Absence” application and return it to the office of Human Resources. The completed application must state the reason for the leave, the duration of the leave, and the starting and ending dates of the leave.

An employee intending to take family or medical leave because of an expected birth or placement, or because of a planned medical treatment, must submit an application for leave at least thirty (30) days before the leave is to begin. If leave is to begin within thirty (30) days, an employee must give notice to the office of Human Resources as soon as the necessity for the leave arises.

In the case of a request for intermittent or reduced schedule leave, or leave for planned medical treatment, the employee shall make every reasonable effort to schedule the leave so as not to unduly disrupt the District's operations.

Medical Certification

An application for leave based on the serious health condition of the employee or the employee's spouse, child or parent must also be accompanied by a “Medical Certification Statement” completed by a health care provider. The certification must state the date on which the health condition commenced, the probable duration of the condition, and the appropriate medical facts regarding the condition.

If the employee is needed to care for a spouse, child or parent, the certification must state an estimate of the amount of time the employee will need. If the employee has a serious health condition, the certification must state that the employee cannot perform the functions of his or her job.

Benefits Coverage During Leave

During a period of family or medical leave, an employee will be retained on the District's health plan under the same conditions that applied before leave commenced. To continue health coverage, the employee must continue to make any contributions that he or she made to the plan before taking leave. In addition, employees will be given a copy of the formula used to calculate how his/her salary may be prorated or otherwise affected as a result of the leave.

The continuation of benefits pursuant to this policy ends on the effective date of the notification to the office of Human Resources of the employee's intent not to return to work. Benefits will also end when the employee fails to return to work on the scheduled date, unless an emergency exists preventing such a return, or if the employee exhausts his or her family and medical leave rights.

Employees who fail to return to work without good cause shown shall be required to repay the cost of all insurance benefits provided during the leave.

Restoration to Employment Following Leave

An employee returning from Family and Medical Leave will be restored to his or her old position *or* to a position with equivalent benefits, pay and other terms and conditions of employment.

In the event the *Family Medical Leave Act of 1993 as amended* is repealed, then this section shall, as of the date of repeal, no longer be in force and effect.

DISABILITY LEAVE

Illinois Mutual Retirement Fund provides two types of disability benefits:

1. **Temporary** disability benefits are paid if you are unable to perform the duties of any position which might reasonably be assigned by your current IMRF employer.
2. **Total and permanent** disability benefits are paid after temporary disability benefits have expired and if you are unable to engage in any gainful activity for any employer.

An employee is eligible for temporary disability benefits if:

1. The employee has at least twelve (12) consecutive months of IMRF service credit preceding their disability.
2. The employee is unable to perform his/her job for more than 30 days.
3. The employee receives treatment for his/her disabling condition as soon as he/she stops working, and his/her physician(s) certifies his/her disability and provides evidence of his/her disability to IMRF.

Temporary disability benefits may also be available for a disability resulting from elective surgery and pregnancy. An employee may receive benefits from worker's compensation, Social Security Disability or Social Security Retirement and outside (non-IMRF) disability insurance plans in conjunction with the benefits they receive from IMRF.

If the employee's temporary disability benefits run out and they are still disabled, an investigation will be conducted by IMRF to determine the eligibility for total and permanent disability benefits.

Additional information and assistance in filing is available in the District Business Office or by calling IMRF at (800) 275-4673 (*Amended 2009-10*).

SICK LEAVE

Sick leave shall be interpreted to mean personal illness, quarantine at home, serious illness or death in the immediate family or household, birth, adoption, or placement for adoption. For purposes of this section, "immediate family member" shall include parents, spouse, brothers, sisters, children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians (as amended by Section 24-6 of the School Code).

Any employee absent more than five (5) consecutive school days shall notify the Office of Human Resources. Certification forms will be provided to the employee for completion by a health care provider authorizing fitness to return to duty (*Amended 2011-2012*).

Twelve-Month Assignments

Personnel employed for a twelve (12) month work year will be entitled to a maximum of thirteen (13) days of sick leave per year. Unused sick leave days may be accumulated. Maximum accumulation allowable is limited to three hundred sixty-one (361) days (*Amended 2011-2012*).

Ten-Month Assignments

Personnel employed for a ten (10) month work year will be entitled to a maximum of eleven (11) days of sick leave per year. Unused sick leave days may be accumulated. Maximum accumulation allowable is limited to three hundred sixty-one (361) days (*Amended 2011-2012*).

Any member of the classified staff can donate sick days to provide for the alleviation of any hardship caused to an employee and the employee's family in the event of a catastrophic illness or if injury forces the employee to exhaust all leave time earned by that employee. The members of the classified committee will call upon the classified staff to donate sick days on an as needed weekly basis. A form will be submitted to the Human Resources department with all of the specific information.

ANNUAL SICK LEAVE INCENTIVE PROGRAM

The Board will pay to any classified employee hired prior to January 1, 2014, and on the job at the end of a given fiscal year an amount of money based on the following schedule for any unused sick days earned in the given fiscal year but not used by the end of that fiscal year. This payment shall be made after the end of the fiscal year. Permanent part-time employees shall be paid this benefit on a prorated basis.

The definition of sick days shall include only those days for which an individual is charged, i.e., if an individual is injured on the job and is eligible for worker's compensation benefits, those days shall not be charged against his/her sick leave. It is understood that in determining sick leave per employee, only those days charged against the current fiscal year's allocation shall be included.

The Board further agrees that payment for any unused sick days for a given year will not affect the accumulation of those sick days for subsequent years.

DISTRICT BENEFITS

COMPREHENSIVE MAJOR MEDICAL INSURANCE

All classified employees of District 88 working a minimum of thirty (30) hours per week have an opportunity to participate in a group plan for Comprehensive Major Medical Insurance or a Health Organization Plan.

There are two medical plans available: PPO Hospital and PPO Physician; and a medical HMO. Two dental plans are offered: traditional indemnity insurance and a dental HMO. Coverage is available for the employee, employee's spouse, and for eligible dependent children.

The Board of Education shall contribute an amount each month towards medical insurance premiums for each eligible employee (10 to 12 months) who may choose to participate in the group insurance program.

Insurance premiums are paid one (1) month in advance. An employee on unpaid leave must make arrangements with the Business Office in order to continue insurance coverage beyond this one (1) month period.

A new employee has thirty-one (31) days from the date of employment to begin participation in the group medical or dental programs. Subsequent to the initial enrollment period, an employee can only begin or change participation during open enrollment or due to “life-style changes” as defined by the policy.

The Board shall make available group medical insurance at the Classified employee’s request (for those employees working a minimum of 30 hours per week). For the duration of this contract the Board shall pay for the PPO and HMO plans 85% of the single employee premium and an additional 70% of the difference between the single premium and the applicable dependent premium. The Board share will be computed as follows:

Using as an example, a \$300 single premium and \$800 family premium.

Single Premium = \$300 x .85 = \$255 board share and \$45 employee share.

Family Premium = \$800. \$800-\$300 = \$500 x .70 = \$350. \$255 + \$350 = \$605 Board share for the family coverage and \$195 employee share.

Should the PPO premiums for the **2023-24** school year increase more than 22% over the premium rates for the **2022-23** school year, the deductible and out-of-pocket both will increase by \$100. Any premium increase of more than 22% in subsequent years will result in additional \$100 increase in the deductible.

Should the HMO premiums for the **2023-24** school year increase more than 22% over the premium rates for the **2022-2023** school year, the office visit and emergency room co-pay will both increase by an additional \$10. Any premium increase of more than 22% in subsequent years will result in additional increases in the co-pay and emergency room care according to the rates established by the provider.

Should the PPO premiums for the **2024-25** school year increase more than 22% over the premium rates for the **2023-24** school year, the deductible and out-of-pocket both will increase by \$100. Any premium increase of more than 22% in subsequent years will result in additional \$100 increase in the deductible.

Should the HMO premiums for the **2024-25** school year increase more than 22% over the premium rates for the **2023-2024** school year, the office visit and emergency room co-pay will both increase by an additional \$10. Any premium increase of more than 22% in subsequent years will result in additional increases in the co-pay and emergency room care according to the rates established by the provider.

Should the PPO premiums for the **2025-26** school year increase more than 22% over the premium rates for the **2024-25** school year, the deductible and out-of-pocket both will increase by \$100. Any premium increase of more than 22% in subsequent years will result in additional \$100 increase in the deductible.

Should the HMO premiums for the **2025-26** school year increase more than 22% over the premium rates for the **2024-2025** school year, the office visit and emergency room co-pay will both increase by an additional \$10. Any premium increase of more than 22% in subsequent years will result in additional increases in the co-pay and emergency room care according to the rates established by the provider.

Should the PPO premiums for the **2026-27** school year increase more than 22% over the premium rates for the **2025-26** school year, the deductible and out-of-pocket both will increase by \$100. Any premium increase of more than 22% in subsequent years will result in additional \$100 increase in the deductible.

Should the HMO premiums for the **2026-27** school year increase more than 22% over the premium rates for the **2025-2026** school year, the office visit and emergency room co-pay will both increase by an additional \$10. Any premium increase of more than 22% in subsequent years will result in additional increases in the co-pay and emergency room care according to the rates established by the provider.

The new rates shall be published to Classified employees during the annual open enrollment period and are posted on SHARE88.

The Board contribution will be adjusted (increased or decreased) to match the figures in the Teachers' Contract should they change prior to the end of this agreement.

TERM LIFE INSURANCE

For those employees eligible to participate in the group Major Medical plan, or the HMO plan, a \$50,000 life insurance plan is also available with premiums paid by the Board of Education. To enroll in this plan, a special form must be completed.

Classified employees actively employed beyond the age of sixty-five (65) will continue to have coverage until they retire. Once the age of seventy (70) is reached, the insurance coverage will be reduced to seventy-five percent (75%) of the insured amount. Once the age of seventy-five (75) is reached, the insurance coverage will be reduced to fifty percent (50%) of the insured amount. Coverage shall be from the first day of employment.

ILLINOIS MUNICIPAL RETIREMENT FUND (IMRF)

IMRF provides employees of local government and school districts in Illinois with a sound and efficient system for the payment of retirement annuities, disability and death benefits. These benefits are in addition to those provided by Social Security.

The required classified employee's contribution to IMRF will be tax-sheltered by the Board. The classified employee will defend and hold harmless the Board and its agents with respect to this payment to IMRF. If the Internal Revenue Service or a court of competent jurisdiction shall hold that the Board lacks authority to make such payments, or that such payments are not excludable from income, the Board shall promptly commence withholding federal and state taxes from such payments.

Complete information regarding obligations under the IMRF and forms for retirement, disability and death benefits may be secured from the business office, 530-3972 or by calling IMRF at (800) 275- 4673 (*Amended 2000-01*).
