Dear Addison Community Member,

I hope this letter finds you well. I am writing to you on behalf of the Addison Trail Lettermen's Club, an organization dedicated to promoting athletics, teamwork, and community involvement at Addison Trail High School. We are excited to announce our upcoming event, the "Trunk or Treat," scheduled for October 25, 2023, and we would be thrilled to have your support.

Our Trunk or Treat event is a fun-filled family activity that brings together the Addison Trail community and local businesses for an evening of safe, Halloween-themed entertainment. Participants decorate their car trunks in creative and festive ways and distribute treats, host a game, or complete a simple craft for children in costumes. It's an excellent opportunity for local businesses like yours to engage with the community while supporting a great cause.

This year, all proceeds from the event will be split between two important causes:

1. **Lettermen's Club Scholarship:** The funds raised will help us provide scholarships to deserving student-athletes at Addison Trail High School. These scholarships are awarded based on academic achievement, sportsmanship, and contributions to our school's athletic programs.
2. **Access Sports:** A portion of the proceeds will also be donated to Access Sports, an organization that offers sports programs and support to athletes from 30 surrounding communities. Access Sports is committed to providing opportunities for individuals to participate in sports and recreation, fostering physical fitness.

We kindly request your participation in this event by hosting a trunk-or-treat car at our fundraiser. Your involvement will not only help raise vital funds for our causes but also provide an opportunity for your business to connect with our community members.

Here's how you can get involved:

- **Decorate a Trunk:** Create a themed trunk display and provide candy and treats and/or games or crafts for the children.
- **Promote Your Business:** Display your business signage and promotional materials at your trunk to increase visibility and reach potential customers.
- **Engage with the Community:** Interact with event attendees, share information about your business, and be a part of this memorable community event.
- **Donation:** If you are unable to attend but still wish to contribute, you can make a monetary donation, or supplies and we will ensure your business is recognized at the event.

We believe that your participation would not only be a fantastic marketing opportunity but also a meaningful way to give back to our community. To confirm your involvement or discuss details further, please reach out to complete the form <https://forms.gle/s9qmertgwtHA9Fvu9>

Thank you for considering our request. Your support can make a significant impact on the success of our Trunk or Treat Car Fundraiser and, by extension, on the students at Addison Trail High School and athletes served by Access Sports.

We look forward to your positive response and hope to see you on October 25th for a spooktacular evening of community and philanthropy.

Sincerely,

Mekayla Haywood, Club President  
Katelyn Ford, Trunk or Treat Co-Chair  
Erin Parker, Trunk or Treat Co-Chair
