You're invited to attend a **Work-Based Learning Experiences Luncheon** to learn more about how you can partner with DuPage High School District 88 and provide college and career pathways for students!

At DuPage High School District 88, we are committed to providing multiple and flexible pathways for students to ensure they are college and career ready – and we need your support and partnership to help our students succeed.

We continue to work with colleges, universities and local businesses to enhance these options and meet our students' diverse and individual needs. We know these pathways are critical to help with the labor shortage and to connect students to hands-on, immersive experiences, as well as certifications, credentials and scholarships. One of our top priorities is to remove barriers for all students to help them access employment and build positive futures. The focus is to connect them with viable short-term and long-term career options and work-based learning that can provide a supported pathway through their college pursuits.

For questions or more information, contact District 88 Director of Community Relations Dani Brink at dbrink@dupage88.net or 630-530-3989.

DURING THE LUNCHEON, WE WILL SHARE

INFORMATION ABOUT HOW YOU CAN SUPPORT: WORK-BASED LEARNING · JOB SHADOWING FOR BILINGUAL STUDENTS · INDIVIDUALS WITH A VARIETY OF ABILITIES · ADVERTISING · AND MORE!
