Willowbrook's Silver and Blue Community Night attracts a large crowd

Warriors' football team opens its 2024 season with this Friday's home game against Glenbard East

Willowbrook High School celebrated the start of the 2024-25 school year with its eighth Silver and Blue Community Night, which took place in front of a sizable audience on Friday evening in the school's stadium.

The event featured introductions of the school's fall athletic teams. Some of those teams, including the Warriors' boys soccer and flag football teams, conducted brief scrimmages on the stadium's new synthetic turf field, which was installed earlier this summer. The evening concluded

with Willowbrook's varsity football team holding a scrimmage against the Fenwick High School Friars.

Friday's event also included introductions of the Villa Park Warriors Youth Football and Cheer program's teams.

Willowbrook's stadium will be packed for the 2024 season-opening football contest between the Warriors and nearby Glenbard East, which will take place this Friday, Aug. 30. The Warriors and Rams haven't met on the football field since 2015.

Federal jury convicts man of possessing multiple firearms while trafficking fentanyl in suburbs

Man pleaded guilty to distributing fentanyl and heroin in Villa Park, 3 other suburban communities

A federal jury has convicted a man on drug and firearm charges for possessing multiple guns while trafficking fentanyl and other narcotics in the suburbs.

The jury on Aug. 16 found Omari Andrews, Jr. guilty of possessing an AR-15 style firearm and three handguns while trafficking fentanyl, heroin, cocaine, crack cocaine, and marijuana in Mt. Prospect in 2023.

The jury returned its verdicts after a

week-long trial in U.S. District Court in Chicago. Prior to trial, Andrews pleaded guilty to distributing fentanyl and heroin in Villa Park, Westmont, Des Plaines and Hillside in 2022 and 2023.

Andrews, 24, of Mt. Prospect, has been detained in federal custody since his arrest in 2023. U.S. District Judge Edmund E. Chang set sentencing for Dec. 18. Andrews faces a maximum sentence of life in federal prison.

The verdicts were announced by Morris Pasqual, Acting United States Attorney for the Northern District of Illinois, and Sean Fitzgerald, Special Agent-in-Charge of Homeland Security Investigations in Chicago.

The Skokie and Evanston police departments provided valuable assistance. The government is represented by Assistant U.S. Attorneys Alejandro G. Ortega and Sean Hennessy. Holding firearm and drug offenders

accountable through federal prosecution is a centerpiece of Project Safe Neighborhoods (PSN)—the Department of Justice's violent crime reduction strategy.

In the Northern District of Illinois, the U.S. Attorney's Office and law enforcement partners have deployed the PSN program to attack a broad range of violent crime issues facing the district, particularly firearm offenses.

Appellate Court affirms murder conviction of Donald Pelka

DuPage County State's Attorney Robert Berlin has announced that the Third District Appellate Court of Illinois has affirmed the first-degree murder conviction.

Donald Pelka of 65-year-old Donald Pelka in the 2018 shooting death of 29-year-old Kyle Gojdas of Glendale Heights.

In his appeal seeking a new trial, Pelka claimed that the cumulative effect of three errors committed by the Trial Court deprived him of his right to a fair trial.

The three alleged errors presented by Pelka address the admissibility of security video footage, the preclusion of specific evidence and jury instructions.

On Sept. 28, 2018, at approximately 3:30 a.m., DuPage County Sheriff's deputies and officers with the Bloomingdale Police Department responded to a call of shots fired at the Bella One Spa located at

25W319 Lake St. in unincorporated Bloomingdale.

Upon their arrival, authorities found Gojdas, an employee at Bella One Spa, unresponsive suffering from gunshot wounds. He was pronounced deceased at the scene.

Approximately 10 minutes later, officers with the Hanover Park Police Department observed Pelka speeding and conducted a traffic stop. During the traffic stop, officers were advised that the vehicle in which Pelka was traveling matched the vehicle that was involved in the shooting.

Pelka was taken into custody at that time. An investigation in the murder found that Pelka was a customer at Bella One Spa and that Pelka and Gojdas had gotten into a verbal altercation in the parking lot of the establishment at which time Pelka pulled out a handgun and shot Gojdas twice in the torso.

The following day, Pelka appeared in Bond Court, where bond was set at \$1 million with 10 percent to apply. He had remained in custody at the DuPage County Jail prior to his

trial. On June 16, 2022, following a five-day-long trial, a jury found Pelka guilty of first degree murder and on Aug. 18, 2022, Judge Ann Celine O'Hallaren Walsh sentenced Pelka to 50 years in the Illinois Department of Corrections to be served at 100 percent.

In its decision, the Appellate Court rejected Pelka's claims and found that the security video footage was properly admitted and there was "no indication of improper manipulation of the video."

The Appellate Court also rejected Pelka's claims that the Trial Court erred in not allowing evidence regarding bromantane allegedly found in the victim's backpack after he was murdered stating, "the autopsy did not show the presence of any drugs in Gojdas's system, there was not testimony from employees that he took

bromantane." Pelka's final claim of abuse of discretion by the Trial Court was also rejected with the Appellate Court noting that the Trial Court gave the jury proper instructions. In their conclusion, the Appellate Court summarized "Finding no errors, we thus find no cumulative error."

"I thank the Appellate Court for their thorough analysis of this case and their finding that no errors, let alone the cumulative effect of multiple errors, were committed by the Trial Court affecting Mr. Pelka's trial," Berlin said. "This decision will ensure that Mr. Pelka spends the rest of his life behind bars for the cowardly, unprovoked shooting of an unarmed man while he was at work."

Presiding Justice McDade delivered the judgment of the Court with Justice Holdridge and Justice Hettel concurring.

Firebirds' U-19 girls team places second in national event

Team wins a regional title in South Dakota to qualify for national tournament; Firebirds lose national final in a penalty-kick shootout

The Firebirds Soccer Club's U-19 girls team earned a second-place finish in its level at the US Youth Soccer (USYS) National Presidents Cup, which took place last month in Wichita, Kansas.

The Firebirds' U-19 girls team, which included several players from Glenbard East High School, Willowbrook High School and Montini Catholic High School, began its journey to the national tournament with a second-place finish in the Illinois Presidents Cup. The team suffered a 1-0 loss in the championship match of the state event. With that second-place showing, the Firebirds earned a wild-card berth into the USYS Midwest Presidents Cup, which took place in June in Sioux Falls, South Dakota.

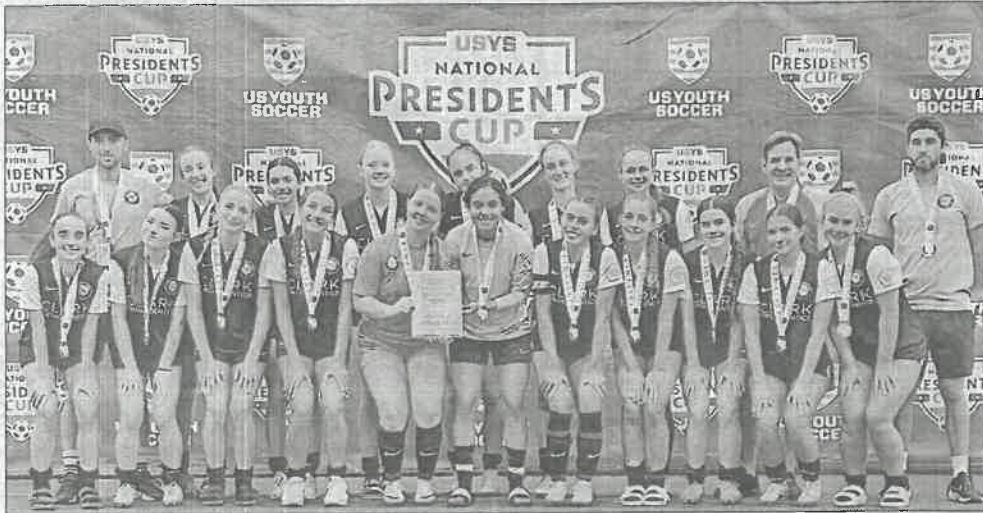

The Firebirds went undefeated in South Dakota, winning the title at the Midwest Presidents Cup and qualifying for the national event in Wichita. The Firebirds won their first two matches at the national tournament and earned a tie in their third match of the competition. That 2-0-1 performance earned the team a berth in the national final in Wichita.

The Firebirds faced the EPIC Soccer Club (from West Virginia) in the Presidents Cup title contest on July 15. The two teams were tied at 2-2 at the end of regulation, forcing a penalty-kick shootout. The EPIC Soccer Club prevailed in the shootout to win the national title.

The Firebirds did not lose a match in regulation during the tournaments in South Dakota and Kansas. The team played a total of nine matches at the two events, scoring 23 goals while allowing only four goals in those nine contests.

The U-19 team's second-place finish at the tournament in Wichita marked the Firebirds program's best showing in a USYS national competition.
